- Accidental Transgression: A more cautious version states he unwittingly disturbed a cursed object or ritual, unleashing the curse upon himself.

Regardless of its origin, the curse served as a moral allegory, warning of the dangers of overstepping natural boundaries.

The Transformation Process

The transformation was described as both physical and psychological:

- Physical Changes: During the full moon, Gustav's body would alter—fur sprouting, claws extending, teeth sharpening, and his senses sharpening to animalistic levels.
