Some users report that the online components require stable internet access and compatible devices. Technical issues can hinder seamless learning, especially in less technologically developed contexts.

4. Variable Teacher Implementation

The effectiveness of the course heavily depends on the teacher's familiarity with its methodology. Inconsistent delivery can diminish its impact, especially regarding interactive activities.

5. Cost and Accessibility

The series can be relatively expensive, and access to digital materials may be limited for some learners, potentially restricting its widespread adoption.

Effectiveness in Language Acquisition
